**'COME FROM THE FOUR WINDS, O BREATH, AND BREATHE UPON THESE SLAIN, THAT THEY MAY LIVE.' EZEKIEL 37:9B**

### Mission Statement

The Mission of the Montana Native American Ministries and Four Winds Ministry Center is to offer a higher purpose for living and equip lives by giving hope and an expected end through Jesus Christ.

### Objective Statement of Ministry

We will strive in the power of the Holy Spirit to provide a place of shelter, of healing, and of safety to any and all the Lord brings into our path. We will minister with purpose and intent: constantly keeping our eyes on the time, seeking the lost before it is too late. We will strive to nurture the value that each and every individual has and to seek potential over problems, hearts over appearances, and relational bridges void of religious walls.

Due to a hay shortage on the Crow Reservation, we delivered a load of hay for horses near the Little Bighorn Battlefield.

Titus and Darus took us on a tour at Buffalo Nation. This facility not only provides free meals to native people, but bags of food as well on the Crow Reservation.

We purchased a second load of firewood which was delivered to Four Winds on February 20th! (see director's desk)

We are looking forward to hosting 3 camps, 3 work groups and 1 missions team this summer!

Delivery of Christmas gifts to Pryor on the Crow Reservation and Lame Deer at the Boys and Girls Club on the Northern Cheyenne Reservation.

**NEED/WISH LIST**

**COMMERCIAL WASHER AND DRYER FOR FOUR WINDS**

**New Adult Dorm Update!**

Our goal is to complete the dorm by summer. A long time friend and supporter donated funds to finish all the sidewalks, ramps, rain gutters, and snow guard. When the weather breaks we also will be able to put in the new well and septic system. (Project list to complete the dorm can be found on our website.)

**FROM THE DIRECTOR'S DESK**

We continue to stand in awe of God's goodness and faithfulness to us and this ministry. This winter has been less severe and has allowed us to spend more time on the road with deliveries of food, firewood, hay and Christmas gifts. Our November and December gas bills for deliveries totaled \$1,411.00! Any help in this area would be greatly appreciated! The purchase of the second semi-load of firewood was not planned, but desperately needed by the native people. We took funds from our emergency account (\$2,200) to purchase this load of wood. Any help in this area will be greatly appreciated as well! We thank all of you for your prayers and support!
